Why support us?

NCAC is a celebration of life and community and allows all of us to participate in helping those in need – whether by raising money or raising awareness.

Who we are?

Nor Cal AIDS Cycle (NCAC) is a non-profit corporation dedicated to supporting organizations that are working to end the HIV/AIDS pandemic.

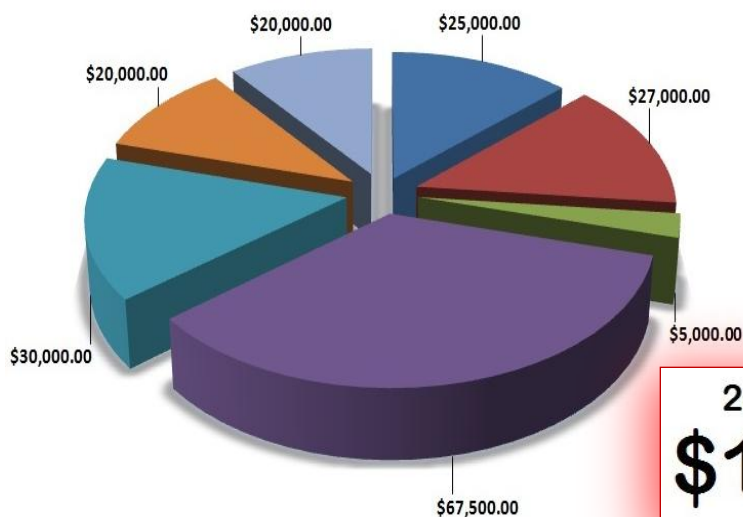

Why is this cause important?

In the greater Sacramento area, estimates show there are at least 5,000 people living with HIV/AIDS. Around 1,000 of those people do not know they have HIV and are consequently unaware that they may be spreading HIV to others; of those that are aware of their infection, about 1,500 of them are not receiving medical care.

Our goals

Through our fundraising efforts, we strive to encourage a positive environment for the dignity, quality of life, and acceptance of people affected by and infected with HIV/AIDS.
